Member call to action

This message is being sent to all BC REALTORS®.

Vancouver, BC – February 8, 2018. Over 2,500 REALTORS® around the province have sent letters to MLAs so far - help us get to 10,000 letters by Friday! Add your voice to the thousands of your colleagues who are calling for the government to delay the limited dual agency ban and take the time to address the negative impact on consumers.

Your provincial association and real estate boards are working together to support you and your clients in the transition to new rules which are scheduled for March 15. We are advocating for modifications to the ban on limited dual agency where current interpretations may negatively impact the public. We also seek to ensure your voice is heard as new rules are created around the 28 IAG Report recommendations.

The proposed changes deeply affect you and your ability to help your clients. Please write your local MLAs, letting them know you're requesting a delay in the implementation of the ban on limited dual agency until we better understand the potential impact on the public.
