BCREA Welcomes New President David Herman

Vancouver, BC. The British Columbia Real Estate Association (BCREA) welcomed Surrey-area REALTOR David Herman as the Association's 2003-04 president yesterday.

A dedicated and enthusiastic volunteer with organized real estate since 1995, Herman says he is thrilled to head up a profession that is an economic bright spot in the provincial economy.

"This is an exciting time to lead the profession," says Herman. "I am proud that REALTORS are helping record numbers of people realize their dreams of homeownership, and that we are playing a vital role in BC's economic recovery."

A former president of the Fraser Valley Real Estate Board (FVREB), Herman joined the BCREA Board of Directors in 2000. He has been a licensed REALTOR for 23 years and currently works with Re/Max 2000.

Gordon Maroney, of Re/Max Performance Realty in Delta, was elected vice president. Joining Herman and Maroney as officers of the Association are Past President Dennis Wilson, also of Re/Max Performance Realty, and Executive Officer Robert Laing.

New directors include Scott Veitch, Gary McInnis, Georges Pahud, Stephanie Corcoran and Patti Flostrand. Returning for another term as directors are: Dave Barclay, Carolyn Boles, John Tillie, Don Pearce and Kelly Lerigny.

BCREA represents 12 member real estate boards and their nearly 12,000 REALTORS in BC.
